## **Forward looking statements**

This press release contains certain forward-looking statements within the meaning of the federal securities laws. Forward-looking statements generally are identified by the words "believe," "project," "expect," "anticipate," "estimate," "intend," "strategy," "future," "opportunity," "plan," "may," "should," "will," "would," "will be," "will continue," "will likely result," and similar expressions. These forward-looking statements include, but are not limited to expectations regarding the timing and anticipated benefits of the transfer of the Company's common stock and warrant listings to Nasdaq. Forward-looking statements are predictions, projections and other statements about future events that are based on current expectations and assumptions and, as a result, are subject to risks and uncertainties. Many factors could cause actual future events to differ materially from the forward-looking statements in this press release, including, but not limited to: (i) the fact that Aeva is an early stage company with a history of operating losses and may never achieve profitability, (ii) Aeva's limited operating history, (iii) the ability to implement business plans, forecasts, and other expectations and to identify and realize additional opportunities, (iv) the ability to launch future products on the timeline Aeva expects, or at all, (v) the ability for Aeva to have its products selected for inclusion in OEM products, (vi) market acceptance of Aeva's technology and the products into which it may be incorporated, (vii) the fact that the autonomous vehicle industry is an emerging market and may not achieve widespread commercial acceptance, (viii) unforeseen product or manufacturing defects, (ix) competition and innovation in Aeva's industry, (x) cybersecurity risks, and (xi) other material risks and other important factors that could affect Aeva's financial results. Please refer to Aeva's filings with the SEC, including its most recent Form 10-Q and Form 10-K. These filings identify and address other important risks and uncertainties that could cause actual events and results to differ materially from those contained in the forward-looking statements. Forward-looking statements speak only as of the date they are made. Readers are cautioned not to put undue reliance on forward-looking statements, and Aeva assumes no obligation and does not
